

REMARKS

Applicants express their appreciation for allowance of claims 1, 2, 5–8, 11–19 and 21–54, per the Notice of Allowance and Fees Due dated June 25, 2008 (referred to hereinafter as “the Notice of Allowance”).

Upon entry of this amendment, claims 1, 2, 5–8, 11–19 and 21–64 will be pending. By this amendment, claims 56–64 have been added. No new matter has been added.

Favorable reconsideration of the application is respectfully requested in light of the amendments and remarks herein.

New Claims 56–64

Claims 56–64 are newly presented by this amendment. Claims 56, 60, 61, and 64 are independent claims which parallel one of allowed claims 7 and 11, and recite similar limitations as recited therein. Therefore, based on the allowance of claims 7 and 11, claims 56, 60, 61, and 64 should also be allowable. Further, since claims 57–59 depend from claim 56, and claims 62 and 63 depend from claim 61, claims 57–59, 62, and 63 should also be allowable.

REQUEST FOR ALLOWANCE

In view of the foregoing, Applicant submits that all pending claims in the application are patentable. Accordingly, reconsideration and allowance of this application are earnestly solicited. Should any issues remain unresolved, the Examiner is cordially invited to contact the undersigned at the telephone number provided below.

Respectfully submitted,

Dated: 09/25/2008
